On the effective date of this modification, **Paragraph H.1 Advance Understandings** is modified to include the following:

H.1.10 The Government may provide personnel under a separate agreement between the Government and the Subcontract to support the Subcontractor's efforts under this task order. On the 20th day of each month, the Government will provide to Subcontractor a report of the number of personnel and number of weeks provided to subcontractor in the previous month.

The Contractor agrees to reduce the Unit Price in **Paragraph B.2. Task 1 Payment Schedule** by (b) (4) per person per week for any portion of a week that the Government-provided personnel are on site at the Subcontractor's facility. The Contractor will reduce the Unit Price for the deliverable that is due in the month that immediately follows the month in which personnel were on site.

Any reduction to the Unit Price will result in a corresponding reduction to the total fixed price of Task 1: Capacity Reservation listed in Paragraph B.1.2 and the total fixed price of this task order listed in Paragraph B.1.1.

For instance, if ten personnel are on site for four weeks in November 2020, the Contractor agrees to reduce the unit price associated with *Manufacturing Schedule with Allocated Capacity through Period of Performance, as known #6* ("Report #6") by (b) (4). The Unit Price for Report #6 would be (b) (4). The total fixed price of Task 1: Capacity Reservation would be reduced by (b) (4). The total fixed price of the task order would be reduced by (b) (4).
